New DVD shows how homosexual activists took control of the city government in a small Christian resort community

And how they plan to do the same in other small towns

Dear XXXX,

AFA has just released a new DVD, "[They're Coming To Your Town.](#)" The DVD shows how a small group of homosexual activists took over the city council in **Eureka Springs, Arkansas**, and began imposing their homosexual agenda on that community.

For 40 years Eureka Springs has been known as a resort town for Christians. Their Passion Play has been attended by hundreds of thousands of Christians. But the activists are now in the process of turning Eureka Springs into a haven for homosexuals.

"[They're Coming To Your Town](#)" shows how, using deceitfulness and lies, homosexuals maneuvered themselves into positions of power and then used those positions to promote their agenda.

"[They're Coming To Your Town](#)" is an eye-opener to those who are not familiar with how homosexuals use the system to attain their goals. It is a 28-minute DVD, making it perfect for viewing during Sunday School.

I urge you to order the DVD, watch it, then share it with members of your church. Give a copy to your pastor. [Click here](#) to view the trailer.
